

Dear Cycling Enthusiast,

Welsh Cycling and Cardiff Council would like announce an informative and enjoyable evening of 'all things cycling'!

You are invited to attend the evening at Maindy Stadium, home of Maindy Cycle Track, on Saturday February 2nd, 2008, commencing at 6.00pm.

Attendees will enjoy presentations on a variety of cycling related topics including;

- Maindy Flyers youth club – the history and club member's considerable successes!
- Technical Info – one for parents and youths alike to help simplify the rules and regulations of youth cycle racing.
- Athlete Pathways – learn of the Welsh and British Cycling initiatives for talented riders to progress from 'Go-Ride' club initiatives to (hopeful) Olympic glory!.
- Volunteer Opportunities – where you as a parent or volunteer can get involved and help progress cycle sport in Cardiff!
- Maindy Developments – an update on exciting developments which will see Maindy as the cycling centre of excellence in Cardiff.

Presentations will include guest speakers Alan Davis (club coach and cycling guru for Maindy Flyers), David Jackson (Manager for Maindy Pool & Track) and Ian Jenkins (Club Development Manager, Welsh Cycling).

Highlight of the evening will doubtless be a nostalgic and entertaining look back at cycling in Cardiff through the years with two local 'stalwarts of the scene'...

Everyone interested is invited to attend and there will be a complimentary buffet and drinks on behalf of Cardiff Council & Welsh Cycling.

Kind regards,

David Jackson
Facilities Manager – Maindy Pool & Track
